

500

Frozen Unbaked

Clover Leaf Portions

300 pcs. / .75 oz * 14.06 lbs. Net Wt

1. Pan as illustrated in aluminum foil 9" x 6" pan.
(Alternate pan layout – place three dough balls in each section of a large muffin pan for individual clover leaf rolls) Place on covered rack in cooler overnight (not to exceed 12 hours).
2. From cooler, place in proof box at 110 degrees F and 90% humidity. Proof until rolls are touching.
3. Remove from proof box, place in oven at 375 degrees F. Bake for approximately 12-15 minutes , until golden brown.
4. Remove from oven. Cool completely before packaging
